## ***RoHS Certificate of Compliance***

### **Restriction of the use of certain Hazardous Substances (RoHS)**

EC directive 2015/863/EU (**the RoHS Directive**) restricts the use of the hazardous substances listed below in electrical and electronic equipment.

Based on information provided by our suppliers Resource Data Management Ltd designates the product(s) listed below as **RoHS compliant** for products manufactured on or after the date of this certificate.

#### **RoHS compliant** means that:

- Our products are manufactured using compliant materials, components and processes.
- Our suppliers have confirmed the compliance status of materials supplied and processes used.
- We have implemented processes to confirm and document this.
- We have introduced a marking on the packaging of all new compliant products in order to identify and segregate compliant stock.

Confirmation of compliance status by our suppliers is either because the products do not contain any of the restricted substances referred to in Article 4(1) of the RoHS Directive at concentrations in excess of those permitted under the RoHS Directive or because removal of the restricted substances is not technically possible and their existence in the products at levels in excess of these concentrations is allowed as one of the particular applications listed in the Annex to the RoHS Directive.

For these purposes, the maximum concentration values of the restricted substances by weight in homogenous materials are:

<b>Substance</b>	<b>Concentration</b>
Lead	0.1%
Mercury	0.1%
Cadmium	0.01%
Hexavalent Chromium	0.1%
Polybrominated Biphenyls (PBB)	0.1%
Polybrominated Diphenyl Ethers (PBDE)	0.1%
Bis(2-ethylhexyl) Phthalate (DEHP)	0.1%
Butyl Benzyl Phthalate (BBP)	0.1%
Dibutyl Phthalate (DBP)	0.1%
Diisobutyl Phthalate (DIBP)	0.1%

Resource Data Management Ltd has taken reasonable steps to assess suppliers and manufacturing facilities regarding the absence of the restricted substances.

**NOTE: RESOURCE DATA MANAGEMENT ACCEPTS NO RESPONSIBILITY TO INFORM USERS OR CUSTOMERS OF UPDATES OR CHANGES TO THIS DECLARATION.**

**Products Covered by this Certificate of RoHS Compliance are detailed on the next page.**
